Educator, Director, Adaptor, Intimacy Choreographer, Scholar

TEACHING

Cleveland State University, 2020-Present

Assistant Professor of Practice

- THE 225: Principles of Acting—Introductory course which teaches the basic skills of acting and the individual creative process through exercises and scene work
- THE 425: Advanced Acting—Course which explores techniques for heightened language and classical acting
- THE 331: Principles of Directing—Introductory course which teaches the basic building blocks of text analysis and blocking, as well as develops students' collaboration, communication, and artistic vision
- THE 332: Advanced Directing—Course which helps students develop and hone aesthetic vision and identify and dismantle actor habits and hang-ups
- THE 328: Movement for the Actor—Course which helps students achieve greater physical awareness and expand physical capabilities through exploration of impulse, imagination, and physical action
- THE 424: Audition Skills—Course which prepares students for professional audition process through practice of monologues, sides, and cold reads
- THE 495: Theatre Seminar: Devised Theatre—Advanced course which explores devised theatre-making techniques and culminates in the performance of a devised piece
- THE 495: Theatre Seminar: Acting the Psycho-Physical—Advanced acting course which explores the teachings of Michael Chekhov and Tadashi Suzuki, investigating the use of image and movement to create character psychology
- THE 111: Introduction to Theater—Course which centers around seminal plays, the cultural and historical context that gave rise to those plays, acting exercises, design theory, and the role of the audience

Young Harris College, 2020

Adjunct Instructor

- THEA 4202: Directing—Basic techniques course with emphasis on text analysis, visual storytelling, and working with actors
- THEA 3996: Special Topics: Actor/Designer Collaboration—Course which uses *Richard III* as a foundational text to explore the actor-designer relationship

Bowdoin College, 2019

Guest Lecturer

- THTR 1201: Acting I—Course which introduces the intellectual, vocal, physical, and emotional challenge of the acting process, and helps students translate intellectual analysis into embodied performance
- THTR 4040: Studio—Advanced performance-based course in which students develop an original project in their chosen performance area

Colby College, 2016-2018

Visiting Assistant Professor

- TD171: Acting I—Stanislavski-based acting course which centers on objectives, individual and ensemble physicality, and monologue and scene study
- TD261: What is Character?—Advanced acting course which explores character development through combining strong physical and vocal choices with in-depth study of given circumstances and objectives
- TD264: Applied Performance/Production—Course which follows the production process from auditions through rehearsals, tech, and performances
- TD271: Acting II: The Psycho-Physical—Advanced acting course which explores the teachings of Michael Chekhov and Tadashi Suzuki, investigating the use of image and movement to create character psychology
- TD281: Directing—Introductory course which teaches the basic building blocks of text analysis and blocking, as well as develops students' collaboration, communication, and artistic vision
- TD361: Directing II: Vision and Pedagogy—Advanced directing course which helps students develop and hone aesthetic vision and identify and dismantle actor habits and hang-ups
- TD361: Viewpoints—Advanced acting course which teaches students how to utilize and manipulate the tools of time and space to create compelling theatrical moments

Holyoke Community College, 2015

Adjunct Faculty

- THE100: Introduction to Theater—Lecture course centered around the history of Western Theater, seminal plays, the cultural and historical context that gave rise to those plays, acting exercises, design theory, and the role of the audience

American International College, 2014

Adjunct Faculty

- THR1400: Introduction to Theater—Lecture course centered around the history of Western Theater, seminal plays, the cultural and historical context that gave rise to those plays, acting exercises, design theory, and the role of the audience

Smith College, 2014

Visiting Instructor

- THE199: Theater History and Culture: Eighteenth Century to the Present—Course on global theater history and seminal plays

- THE213: American Theater and Drama—Course on American theater history and canonical and new American plays

University of Massachusetts Amherst, 2008-2011

Instructor

- THE140: Beginning Techniques in Performance—Introductory course for majors and non-majors as well as graduate students from other disciplines. Play analysis, movement, objectives, improvisation, audition technique, monologue and scene study

Teaching Assistant

- THE110: Performance Management—Organized and managed student ushers and box office staff
- THE100: Introduction to Theatre—Lectured to large introductory theater class, led discussion sections for 90 students, graded student papers, assisted in classroom administration and management
